

DECEMBER NEWSLETTER

2015-2016 Skating Season

Christmas is upon us and our first session will be coming to an end! We couldn't be happier with all of our skaters progression, from Pre-Can to Privates! Way to go everyone!

Registration days for the winter session (Jan-March) will take place on Dec. 6th (The Meadows Rec Centre) from 9am-11am and Dec. 7th (Kenilworth Arena) from 4:00pm-6:30pm. All second session participants will have the opportunity to be involved in our annual Ice Show at the end of March.

We will be hosting a Family Skate on Dec. 19th from 12:15pm-1:00pm at Kenilworth Arena. **All Pre-Can, Canskate, and family member skaters must wear helmets to participate.**

The Christmas Gala will be taking place at Kenilworth Arena on Dec. 19th at 1:15pm after the Family Skate. The Gala is great opportunity to come and see what our Intro To Figure Skating Skaters and Private Skaters have been working on. They will be showcasing their solos and a few group routines. Come show your support for the club and our skaters!

The Canskate Element Event will be taking place on Dec. 20th at The Meadows Rec Centre at 10:00am. This event is open to **ALL** Pre-Canskate and Canskaters. Please hand in your registration form by the deadline (Nov. 30th) to ensure your skater's entrance to the event.

Starskater of the Month:

Congratulations to **Brielle Pulfer!**
Brielle has had a very successful month now landing 4 double jumps. Her commitment to skating does not go unnoticed! She is also one of our Sr. Program assistants in Canskate and has been very helpful in that program. All of these things make Brielle an excellent role model for our younger skaters. Great job Brielle!

Pre-Can/Canskater of the Month:

Congratulations to **Evelyn Patterson.**
Evelyn has really impressed the coaches with her great attitude and willingness to try new things! Way to go Evelyn!

Intro to Figure Skating Skater of the Month:

Kayla Poon is one of our top IFS skaters! She is constantly improving her skating and tries really hard in her lessons. As well as being a pleasure to teach, she is also a wonderful peer to skate with for the other skaters. Good job Kayla!

Good luck to all skaters who are testing on Dec. 1st at the low test day and Dec. 19th at the high test day.
