

NOVEMBER NEWSLETTER

What a great start to the season! Thank you so much to all of our coaches and volunteers for making sure we had a strong start with all of our programs.

The Pre-Can and Canskate skaters are looking great so far! They will be ready for our Canskate Element Event in no time! This event is open to all Pre Can and Canskaters and is a fun 'competition' that Skate Canada has developed for skaters across the country. We will be hosting the event on Sunday Dec. 18th at The Meadows Rec Centre at 10:00am. Registration forms will be handed out this month. This is a FREE event put on by our club and we hope to have a great turn out!

Figure 8's annual Christmas Gala and Family skate will be taking place on Saturday Dec. 17th. More info to come so please check your email for the December newsletter.

The Club, Coaches, and Board Members would like to thank Carey Leal-Janvier for all her work in taking on the skating director role while Ashlee Roger was on partial leave. Her hard work did not go unnoticed and we are happy she was able to help! Thank you Carey!

SPRING ICE:

We will have ice from Mondays to Thursdays from 4-6pm starting April 3rd - June 6th 2017. If you are interested in programs (Pre and Canskate, IFS, or Privates) please email info@figure8skating.ca. We are wanting to get an idea of numbers.

*Tip for Skaters and Parents: Don't forget to dry your blades after each session to avoid them getting rusty! Only use soft covers (no hard guards) to put on the blades after skating. This will ensure your blades will stay in good condition and last longer! Also, please make sure you skaters are wearing CSA certified helmets that are properly fitted and secured.
