

NOVEMBER NEWSLETTER

What a great start to the season! Thank you so much to all of our coaches and volunteers for making sure we had a strong start with all of our programs.

The Pre-Can and Canskate skaters are looking great so far! Everyone is starting to get the hang of the programs with the rotation of groups and listening to the music to cue them on what to do next! They will be ready for our Canskate Element Event in no time! We will be hosting the event on Sunday Dec. 13th at The Meadows Rec Centre at 10:00am. Registration forms will be handed out this month.

Our Adult skaters are progressing very well in their class on Saturdays! What a better way is there to spend a Saturday afternoon than lacing up your skates and trying something new! Way to go Adults! We are still accepting registrations for this program if anyone is interested.

Our Monday Pre Canskate class is full but we are still accepting registrations for our Monday's Canskate class, and Saturday and Sunday's Pre Can and Canskate classes.

Tip for Skaters and Parents: Don't forget to dry your blades after each session to avoid them getting rusty! Only use soft covers (no hard guards) to put on the blades after skating. This will ensure your blades will stay in good condition and last longer!
