November is here and that means it is time for our annual Canskate Element Event and IFS/Star 1 In House Competition! Please make sure you hand in forms no later than Monday Oct. 30th. No late registrations will be accepted. This is sure to be an excellent experience for our skaters so we hope we see a lot of you there!

Our annual Christmas Gala will be taking place on Saturday Dec. 16th at Kenilworth Arena. There will also be a Family Skate, where skaters are welcome to bring family members to enjoy a fun session of skating. More details will be provided in the December newsletter.

Figure 8 will have a Special AGM on November 16th at 5pm at Kenilworth Arena. The meeting will address financials and changes to bylaws. Please email info@figure8skating.ca if you are able to attend.

The Canskate Progression At A Glance

Skaters will progress through the six stages in Canskate at their own pace. Each stage has specific skills skaters must achieve in order to pass. Skaters work on skills in Fundamental Areas of **Balance, Agility, and Control**. Skaters will receive a ribbon for each Fundamental Area if they have completed all of the skills in it. Once skaters have completed all Fundamental areas, they will receive a badge for the complete stage passed.
