SPRING

2017-18 SKATING SEASON

Spring has arrived (FINALLY!)! We are happy to say that our Spring Skating Session is off to a great start! All of the programs are looking good and it's great to see the skaters having so much fun and progressing with their skating!

We would like to say 'GREAT JOB!' to all of our skaters who participated in the Ice Show in March! Amazing to see everyone's progression since the start of the season! We would also like to extend a massive thank you to all of our volunteers and coaches who made the ice show possible! Without the help of our volunteers, we would not be able to put on amazing events like these. Thank you!!!

Figure 8 Skating Club will be hosting it's Annual General Meeting on **Thursday May 31st at Kenilworth High School**. There will a Pot Luck dinner starting at 6pm, with the AGM commencing at 7pm. A potluck sign up sheet will be emailed out soon. **Attendees will be eligible to enter to win a \$200 Credit (IFS, Privates) or a session of Pre Can or Canskate!**

We are currently looking for new volunteers to sit on the board. There are many fun and exciting positions available and it is an excellent opportunity for you to learn more about your skater's sport and lead an example of being a volunteer in the community. If you are interested, please ensure you attend the meeting or email us at info@figure8skating.ca. We would love to have you on board!

The Canskate Progression At A Glance

Skaters will progress through the six stages in Canskate at their own pace. Each stage has specific skills skaters must achieve in order to pass. Skaters work on skills in Fundamental Areas of **Balance, Agility, and Control**. Skaters will receive a ribbon for each Fundamental Area if they have completed all of the skills in it. Once skaters have completed all Fundamental areas, they will receive a badge for the complete stage passed.
