Skate Canada NT/NU/AB Section Survey

Please take the time to fill out the 3-10 minute section survey for Skate Canada NT/NU/AB. The purpose of the Skate AB|NT|NU Membership Survey is to provide an opportunity across ALL Section participants to provide general feedback on Section-led services such as pushed communications and tools, individual member support and overall satisfaction.

The information received will be used to build out the library of self-serve tools available to the Membership, look for new opportunities to communicate meaningful content and to provide the best service possible.
