# Message from the President

Hello F8SC Skaters and Families,  
It has been a busy few months for F8SC skaters, coaches, and members! A big thank you to our amazing coaching team for another successful CanSkate Element and Rising Star Event (Star 1-3) held in November. It was a fantastic day for our skaters to showcase their skills and progress.

Another fun event in November was the F8SC Team Building Event, where 22 skaters participated in a fun evening of Neon Bowling. Thank you to the volunteers who helped make this event such a success!

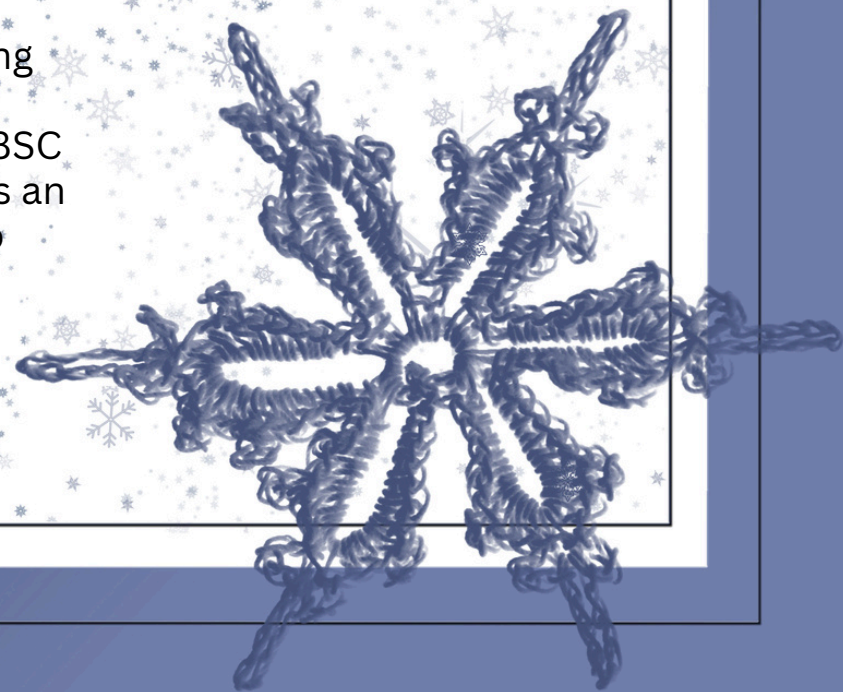

We also had a fantastic Simulation Day, where skaters had the opportunity to practice their solo routines ahead of the competition season. They all looked incredible, and we wish them the best of luck as they head off to their upcoming competitions!

A huge thank you to all the members who have volunteered for shifts at the F8SC Casino on December 14 and 15. This is a major fundraiser for our club, and your support is greatly appreciated. We still have one spot left to fill! If you're available on December 15, please consider signing up to help with our fundraising efforts.

Finally, don't forget to mark your calendars for the F8SC Annual Winter Gala on Saturday, December 21. This is an event you won't want to miss! It's a wonderful way to celebrate the end of the fall skating season.

See you all there!

Erin Turnell  
F8SC President

# Skater's of the month

## Skater of the Month- Jr/Int/Sr/Adult StarSkate

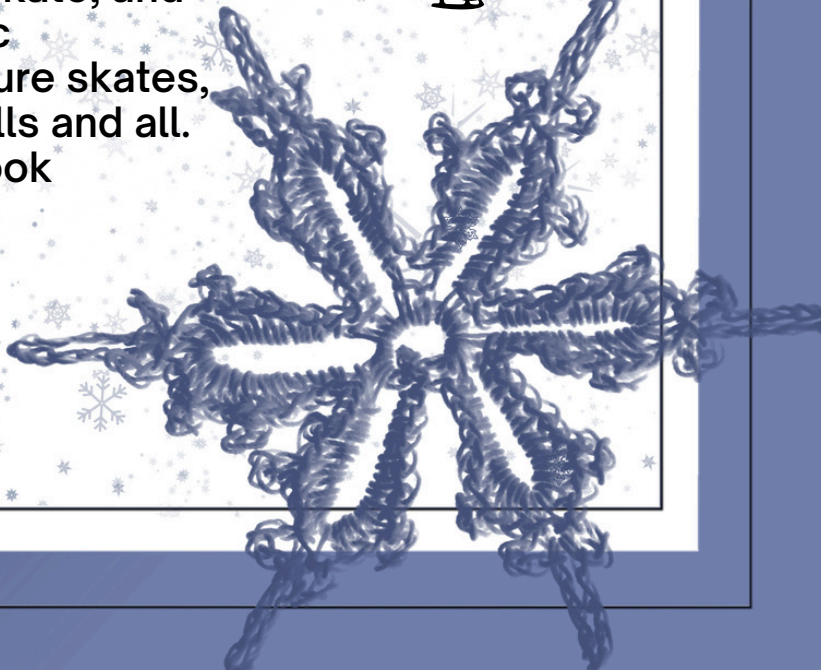

Monique Amyotte- Monique has shown great improvement in her freeskate elements and in her new Star 2 program. Her motivation to improve is evident and she doesn't let falling discourage her from getting back up and trying again- which is no small feat! She has been working hard on practicing independently and the hard work is paying off. Keep up the great work Monique!

## Skater of the Month- CanSkate

Oscar Gray - Oscar recently moved up from Canskate, and his consistent hard work is evident in his fantastic improvement! He went from hockey skates to figure skates, and has fully embraced the transition, toe pick falls and all. We are very proud of how far he has come and look forward to seeing his continued hard work and improvement! Keep up the great work Oscar!!
