Volunteer Needed!

F8SC is looking for one more volunteer to fill the final board position of Assessment Coordinator. This key role involves coordinating the club's assessment days and ensuring everything runs smoothly. Currently, the tasks for this position are being handled by other board members, so we are eager to find someone to volunteer to fill this position.

If you're interested in joining the F8SC board, this is a fantastic opportunity! You'll have the chance to shadow the role during the upcoming assessment day on January 30, providing a perfect opportunity to ease into the responsibilities.

If you are interested, please email the F8SC Office Manager at info@figure8skating.ca.

We are proud to have Ruby as skater of the month! She has showed lots of determination and worked super hard for the star series 2 competition. She puts in the hours with coming for extra practice and perfecting her jumps and spins. With even getting a GOLD on her camel sit spin!! We can't wait to see what else Ruby accomplishes this year!

PreStar/ALTFS of the month- Nicolette Lehman

Nicolette's dedication to skating is evident with her consistent attendance as well as her immense effort that she puts into every class. She has been working hard on improving her Star 1 dance elements which culminated in her passing her Star 1 dance test at the end of fall session. Nicolette takes every correction into account and is focused during independent practice.
